Dear Traders and Residents,

6 October 2017

Each November, for the last 20 years, Woolton Village Residents Association has funded and organised a Father Christmas tour of the Village in his sleigh, providing the main 25 foot Xmas tree with LED flashing lights (which stay on until the new year), and the kiddies Grotto at Lodes Pond Allerton Road. **The cost of providing this free event is in the region of £3100 per annum**, and attracts many visitors from far and wide benefitting both the Business and Residential community over the holiday festival. All Association volunteer workers are unpaid.
